**Rock Island Elementary School**

**Phone:** 754-322-8300

**Address:** 2350 NW 19TH STREET

**City:** FT. LAUDERDALE

**Zip:** 33311

Aug. 28, 2025

**To Whom It May Concern,**

It is my pleasure to recommend Audra Carter Wilkins for any professional opportunity in education or research. I have had the privilege of working alongside Audra at Rock Island Elementary, where she consistently demonstrated exceptional skills, dedication, and leadership as a Special Education teacher.

Audra has a remarkable ability to build meaningful relationships with students, parents, and colleagues. Her work with students on the autism spectrum highlights her creativity, patience, and ability to implement individualized strategies that lead to measurable academic and social growth. She engages with families thoughtfully, ensuring that every child's learning plan is culturally responsive and inclusive.

Her leadership extends beyond the classroom. Audra is an initiative-taking, collaborative, and problem-solving leader who inspires her colleagues with her vision and dedication. She balances compassion with professionalism, always prioritizing the success and well-being of her students.

I am confident that Audra will excel in any role she pursues, whether it be in teaching, research, or educational leadership. Her unwavering commitment to students and families, combined with her innovative approach to special education, makes her an outstanding candidate.

Please do not hesitate to contact me if you require any further information.

Warm regards,

**Julie McMillian**
