

## Character Reference for Audra Carter Wilkins

Date: July 29, 2022

To Whom It May Concern,

I'm honored to provide a character reference for Audra Carter Wilkins, who has applied to work in your district as a substitute teacher. I have known her over the past 30 years, I met Audra while we were students at the University of Binghamton New York, and we have been friends since that time. We have also worked together with Direct Interactions for the past two years.

I can attest to the fact that she has all the requisite certifications to substitute teach, including a Master of Management/Public Administration with an additional Specialization in Human Resource Management, and an Undergraduate Bachelor of Science in Management. Most importantly, though, she has the experience, authority, and dedication required to help guide students toward academic success. It was obvious that she has the firm kindness, energy, patient communication, and can deliver thorough knowledge that it takes to teach a subject. She has a warm personality and an energetic approach to teaching and learning which invigorates the students and keeps them focused. You can always tell an experienced teacher by the way you control your classroom. That's Audra. Lastly, as a Sunday school teacher for over 20 years, she has proven herself to be adaptable, patient, and willing to devote her all to completing a task.

Audra Carter Wilkins would make an excellent Teacher because she shows great patience, motivation, and empathy. I have no doubt she will be an asset to your organization.

I am happy to give Audra Carter Wilkins my highest recommendation. Please feel free to contact me at (954) 294-6971 or at pquarless@yahoo.com.

Thank you for your consideration.

Sincerely,
